

In the Court of Appeals of the State of Alaska

Walter Allan Forsberg,
Appellant,

v.

State of Alaska,
Appellee.

Court of Appeals No. **A-13384**

Order

Date of Order: **May 27, 2020**

Trial Court Case No. **1KE-18-00027CR**

Attorney Michael Barber, representing the Appellant, Walter Forsberg, filed a motion asking, among other things, for the preparation of supplemental transcripts of Defense Exhibit A, which was offered in support of the defense motion to suppress evidence.

According to Mr. Barber's motion, Defense Exhibit A was referenced at pages 56-58 in the transcript that has already been prepared and distributed for this appeal. This Court could find no reference to Defense Exhibit A at pages 56 - 58, but Defense Exhibit A, a compact disc, was provided to the superior court in support of a motion to suppress. [See page 12 of the transcript] Because the compact disc had been made part of the trial court record, this Court directed the Appellate Court Records Office to make the audio contents of Defense Exhibit A part of the electronic appellate record. This exhibit appears to contain the audio Mr. Barber requested transcribed.

Accordingly, **IT IS ORDERED:**

The request to prepare a supplemental transcript of Defense Exhibit A is **GRANTED**. The Appellant's opening brief is due 30 days after the distribution of the supplemental transcripts.
